In the Spring/Summer of 2014 the Village is planning to repave Grand River Avenue from Elm Road to Gramer Road. The majority of the work will be paid for with MDOT/FHWA funds. Access to all businesses and residences will be maintained during the course of construction. The Village is working on provisions to maintain pedestrian access and US Mail delivery. Please notify the Village if you have or anticipate any special needs that should be considered during the construction.

**Tip of the Month:** 2013 Village Tax Bills have been mailed. If you received a blue tax bill, a mortgage company did not request your tax information. If you received a white tax bill a mortgage company requested your tax information and you received the white copy for informational purposes only. We will not be mailing tax receipts unless we receive a self-addressed stamped envelope with your payment. All tax bills are due September 16<sup>th</sup>!
