

Village of Webberville February 2021 Newsletter

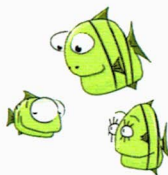

Ordinance No. 155 stipulates snow and ice must be removed from sidewalks within 24 hours after it has ceased, if the accumulation is less than 4 inches and 48 hours after it has ceased, if accumulation is more than 4 inches. If you would like to apply for an exemption from this Ordinance, please contact the Village Office.

PLEASE do not park on the streets when there is a forecast for snow. It makes it easier for the DPW to get the roads clear if they do not have to work around parked vehicles.
